

Providing Expert Education & Training Healthcare Solutions

With health care organizations constantly changing as a result of technological advancements, ageing populations, changing disease patterns, new discoveries for the treatment of diseases and political reforms and policy initiatives, an innovative and expert training solutions partner has never been more critical.

Modern Med Health Solutions is passionate about helping healthcare organizations get better through education, training, and performance solutions. By identifying problems and addressing them with knowledge and skill, we help drive positive outcomes for all. We can assist any organization no matter how large or small, including:

- Inpatient Facilities
- Outpatient Facilities
- Behavioral Health Facilities
- Corporate Employers
- Long-term Care Facilities
- Skilled Nursing Facilities
- Laboratories

We custom design training solutions for each client that is grounded in adult learning principles and healthcare expertise for commercial and treatment based health organizations. Our instructional designers collaborate with scientific, strategic, and digital experts to develop learner-centric training that support ongoing efforts to deliver innovative products to our clients. Our client tailored education and training programs allow us to customize material to any subject matter needed in healthcare. Our capabilities include:

- Curriculum Development
- Foundational eLearning and Modules
- Live and Virtual Workshop Design and Development
- Assessments and Certifications

Health Education and Training Demands Total Commitment to Quality

At the core of all of our services is our total commitment to quality. Modern Med Health Solutions understands that in the healthcare community, a lapse in quality can have devastating consequences. As such, Modern Med Health Solutions is committed to ISO 9001-Certified Quality Management System processes. ISO 9001:2015 is an international standard dedicated to Quality Management Systems (QMS). It outlines a framework for improving quality for any organization looking to provide products and services that consistently meet the highest requirements for performance. An ISO 9001-certified Quality Management System is the aggregate of all the processes, resources, assets, and cultural values that support the goal of total patient care and healthcare excellence.

Modern Med is one of the top 1% of companies regarding its commitment to Quality, possessing the prestigious ISO 9001 Quality Management System Certification.

Because of our commitment to quality, Modern Med Health Solutions philosophy is one committed to our client's success.

Employees are motivated by career advancement, regardless of the industry. That's why we believe in consistent, life-long learning—and provide solutions for every stage of every healthcare professional's career. The initiative will enhance health centers' capabilities to recruit, develop, and retain their workforce by exposing health and allied health professions stu-
