

Providing Quality Inpatient Care and Services

In the face of rising healthcare costs, ever-increasing reliance upon inpatient care and a global shortage of medical professionals, providing effective inpatient care has never been more challenging or important.

Modern Med Health Solutions provides compassionate, patient-oriented inpatient care to ensure enhanced patient outcomes via point-of-care interactions and ongoing support. Whether it's a large hospital or a rehabilitation center we can provide your organization with experienced nurses who specialize in:

- Acute Care
- Medical-Surgical
- Perioperative
- Inpatient Rehabilitation
- Behavioral

We offer compassionate and experienced licensed Registered Nurses to inpatient facilities which not only dramatically increase patient health outcomes but also the facility's quality patient ratings. Our Registered Nurses provide services to:

- Hospitals & Acute Care Facilities
- Rehabilitation Centers
- Addiction Treatment Facilities
- Psychiatric Hospitals
- Long Term Care Facilities

Inpatient Care Demands Total Commitment to Quality

At the core of all of our services is our total commitment to quality. Modern Med Health Solutions understands that in the healthcare community, a lapse in quality can have devastating consequences. As such, Modern Med Health Solutions is committed to ISO 9001-Certified Quality Management System processes. ISO 9001:2015 is an international standard dedicated to Quality Management Systems (QMS). It outlines a framework for improving quality for any organization looking to provide products and services that consistently meet the highest requirements for performance. An ISO 9001-certified Quality Management System is the aggregate of all the processes, resources, assets, and cultural values that support the goal of total patient care and healthcare excellence.

Modern Med is one of the top 1% of companies regarding its commitment to Quality, possessing the prestigious ISO 9001 Quality Management System Certification.

Because of our commitment to quality care, Modern Med Health Solutions also has a commitment to a quality work environment for our Registered Nurses.

Evidence indicates hospitals and other inpatient facilities with better registered nurse staffing have better patient outcomes. The decisions that a hospital makes or fails to make regarding Registered Nurses can have dramatic effects on access to care, customer service, operating costs, and staff retention. Modern Med Health Solutions has mastered the art of balancing nursing supply and patient demand as it is a critical component of healthcare delivery.
