

Providing Advanced & Accurate Laboratory Solutions

With nearly all diagnoses being reliant on laboratory data, accuracy and scientific expertise cannot waver and has never been more important.

As a leader in diagnostic solutions, Modern Med Health Solutions provides advanced precise laboratory support to ensure accurate data is relayed to clinicians. Our capabilities allow us to combine scientific expertise with advanced technologies to deliver high-quality, comprehensive data. No matter how large or small the laboratory is, we can provide your organization with experienced team members who specialize in:

- Microbiology
- Serology
- Chemistry
- Hematology
- Immunohematology
- Pathology
- Radiobioassay
- Histocompatibility
- Cytogenetics
- Genomics
- Clinical Drug Testing

When lives depend on the right diagnosis, confidence is needed that it can be delivered. This calls for a trusted partner to help ensure systems are performing properly, staff are trained and processes are optimized. We ensure this by offering experienced and dedicated laboratory professionals including:

- Medical Laboratory Scientists
- Medical Laboratory Technicians
- Cytotechnologists
- Histotechnologists
- Phlebotomists
- Molecular Biologists
- Pathologists' Assistants
- Clinical Chemists

Laboratory Efficacy Demands Total Commitment to Quality

At the core of all of our services is our total commitment to quality. Modern Med Health Solutions understands that in the healthcare community, a lapse in quality can have devastating consequences. As such, Modern Med Health Solutions is committed to ISO 9001-Certified Quality Management System processes.

ISO 9001:2015 is an international standard dedicated to Quality Management Systems (QMS). It outlines a framework for improving quality for any organization looking to provide products and services that consistently meet the highest requirements for performance. An ISO 9001-certified Quality Management System is the aggregate of all the processes, resources, assets, and cultural values that support the goal of total patient care and healthcare excellence.

Modern Med is one of the top 1% of companies regarding its commitment to Quality, possessing the prestigious ISO 9001 Quality Management System Certification.

Because of our commitment to quality and compliance, Modern Med Health Solutions also has a commitment of dedication to our Laboratory personnel.

Achieving and maintaining quality is arguably one of the most critical tasks in clinical laboratories. One of our core competencies is laboratory operation and support. Modern Med Health Solutions has mastered the art of clinical experience and meticulous results.
