

Medical Examinations Services

Global changes within the workforce requires robust occupational health services and working in partnership with them to achieve increased productivity, reduced absences, and decreased costs.

To ensure that organizations are creating a synergy between workplace performance and staff members, Modern Med Health Solutions helps to create superior workforce health programs and solutions in this ever-changing healthcare system. Our highly trained, and experienced team members provide the following medical enterprise solutions:

- Independent Medical Examinations
- Compensation & Pension Examinations
- Health Risk Assessments
- Occupational Health
- Physical Examinations
- Telemedicine
- Immunizations
- Health Screenings
- Preventative Care
- Wellness services

Our approach to healthcare is simple: we reduce risks and increase results. We take a systematic approach that is client focused, allows Provider collaboration, and improves the effectiveness of every organization. As an ISO 9001 certified company, Modern Med Health Solutions is one of the nation's most experienced and dedicated providers of comprehensive medical examinations. Our medical staff provide cost-effective and flexible customized solutions to every client.

As a trusted partner to our government and commercial clients, we design, manage, and implement integrated medical examinations services and occupational health care programs that address our clients' most complex needs. We give your staff members convenient access to health care, increase patient engagement and improve long-term care results. Are you interested in aligning your resource investment with your strategic vision? If so, let's talk. The benefits of getting it right early are immense.

Medical Examinations Solutions Demand a Total Commitment to Quality

At the core of all of services is our total commitment to quality. Modern Med Health Solutions understands that in the healthcare community, a lapse in quality can have devastating consequences. As such, Modern Med Health Solutions is committed to ISO 9001-Certified Quality Management System processes.

ISO 9001:2015 is an international standard dedicated to Quality Management Systems (QMS).

Modern Med Health Solutions is one of the top 1% of companies regarding its commitment to Quality, possessing the prestigious ISO 9001 Quality Management System Certification.

Today's complex workforce requires decision makers to make critical decisions in an efficient and cost-effective manner. To achieve this daunting task a holistic, enterprise-wide approach is required. Our team of experts can provide your organization with world-class management solutions to help you determine the type of medical examination (s) needed for your staff members, how to effectively deliver care, and how to analyze technological data.
